Please carefully review the Notice for information on how to access the Notice of Annual Meeting, Proxy Statement, proxy card and Annual Report at www.proxyvote.com, in addition to instructions on how you may request to receive a paper or email copy of these documents. There is no charge to you for requesting a paper copy of these documents.

GENERAL INFORMATION ABOUT VOTING

Who can vote?

You can vote your shares of Class A Common Stock if our records show that you owned the shares on the Record Date. As of the close of business on the Record Date, a total of 31,857,327 shares of Class A Common Stock are entitled to vote at the Annual Meeting. Each share of Class A Common Stock is entitled to one vote on all matters presented at the Annual Meeting.

How do I vote by proxy?

If you have received a printed copy of these materials by mail, you may simply complete, sign and return your proxy card. If you did not receive a printed copy of these materials by mail and are accessing them on the Internet, you may simply follow the instructions below to submit your proxy on the Internet.

What if I received a Notice of Availability of proxy materials?

In accordance with rules and regulations adopted by the Securities and Exchange Commission (the "SEC"), instead of mailing a printed copy of our proxy materials to each stockholder of record, we may now furnish proxy materials to our stockholders on the Internet. If you received a Notice by mail, you will not receive a printed copy of the proxy materials. Instead, the Notice will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice also instructs you as to how you may submit your proxy on the Internet. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, including a proxy card, you should follow the instructions for requesting such materials included in the Notice.

If I am a stockholder of record, how do I cast my vote?

If you are a stockholder of record, you may vote in person at the Annual Meeting. We will give you a ballot when you arrive.

If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. If you vote your proxy, your vote must be received by 11:59 p.m. U.S. Eastern Standard Time on September 3, 2020 in order for your vote to be counted.

We provide Internet proxy voting to allow you to vote your shares on-line, using procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from your Internet service provider and telephone company.

What if other matters come up at the Annual Meeting?

The matters described in this proxy statement are the only matters we know of that will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares as they see fit.

Can I change my vote after I return my proxy card?

Yes. You can revoke your proxy at any time before it is exercised at the Annual Meeting in any of three ways:

- by submitting written notice revoking your proxy card to the Secretary of the Company;
- by submitting another proxy via the Internet or by mail that is dated after your original proxy vote and, if by mail, it is properly signed; or
- by voting in person at the Annual Meeting.

Can I vote in person at the Annual Meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card or vote by proxy on the Internet to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

How are votes counted?

We will hold the Annual Meeting if holders representing a majority of the shares of Common Stock issued and outstanding and entitled to vote either sign and return their proxy cards, submit their proxy on the Internet, or attend the Annual Meeting. If you sign and return your proxy card, or submit your proxy on the Internet, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card.

The election of directors under Proposal 1 will be by the affirmative vote of a plurality of the shares of Common Stock represented in person or by proxy at the Annual Meeting.

Proposal 2, Proposal 3 and Proposal 4 shall be approved upon the vote of a majority of shares present in person or by proxy at the Annual Meeting and entitled to vote. An abstention with respect to the foregoing proposals will have the effect of a vote "AGAINST" such proposal.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials and posting them on the Internet, some of our employees may contact you by telephone, by mail, by fax, by email or in person. None of these employees will receive any extra compensation for doing this. We may reimburse brokerage firms and other custodians for their reasonable out-of-pocket costs in forwarding these proxy materials to stockholders.

Why are we seeking stockholder approval for these proposals?

Proposal No. 1: The Nevada Revised Statutes, as amended, and the rules of the NASDAQ Stock Market require corporations to hold elections for directors each year.

Proposal No. 2: The Company appointed Dixon Hughes Goodman LLP to serve as the Company's independent auditors for the 2020 fiscal year. The Company elects to have its stockholders ratify such appointment.

Proposal No. 3: The rules of the NASDAQ Stock Market require corporations to seek stockholder approval in order to increase shares available for issuance pursuant to the Company's equity incentive plan and allow for the issuance of Restricted Stock Units under the plan. At present, the Company does not have an adequate number of shares available to provide for our equity compensation awards and, as such, we must seek stockholder approval in order to make any additional awards to our employees or consultants pursuant to our 2014 Equity Incentive Plan.

Proposal No. 4: The Rules of the NASDAQ Stock Market require stockholder approval prior to the Company's issuance of 20% or more of the Company's outstanding common stock at a per share price that is less than the greater of book value or market value of a company's common stock. Our outstanding \$6,600,000 in convertible promissory notes (the "Notes") held by Lind Global Macro Fund, L.P. ("Lind") allows the Company to elect to make payments under the Note in the form of its common stock over time at discounted prices that are less than the market value of the common stock at the time of issuance ("Repayment Shares"). In accordance with the terms of the Notes and related share purchase agreement, under the conversion terms of the Notes Lind may be entitled to receive up to 7,384,000 shares, representing more than 23% of our Class A common stock, as Repayment Shares. Accordingly, unless we obtain stockholder approval, we may be unable to make further repayments in the form of Repayment Shares while complying with applicable Nasdaq rules.

Mr. Amos' 30 years of experience in the US and international K-12 market and his long track record as a successful entrepreneur makes him ideally suited to and valued as a member of our board of directors.

There are no family relationships between the directors and executive officers.

Dr. Rudy Crew, Dale Strang, R. Wayne Jackson and Charles P. Amos are our independent directors. As a Nasdaq listed company, we believe that the foregoing directors satisfy the definition of “Independent Director” under Nasdaq Rule 5605(a)(2). In making this determination, our board of directors considered the relationships that each of these non-employee directors has with us and all other facts and circumstances our board of directors deemed relevant in determining their independence. As required under applicable NASDAQ rules, we anticipate that our independent directors will meet on a regular basis as often as necessary to fulfill their responsibilities, including at least annually in executive session without the presence of non-independent directors and management.

Board Operations

All directors hold office until the next annual meeting of shareholders and until their successors have been duly elected and qualified. Directors are elected at the annual meetings to serve for one-year terms. Officers are elected by, and serve at the discretion of, the board of directors. Our board of directors shall hold meetings on at least a quarterly basis.

Mr. Pope holds the positions of Chief Executive Officer, President and Chairman of the board of the Company. The Board of Directors believes that Mr. Pope’s services as both chief executive officer and chairman of the board is in the best interest of the Company and its shareholders. Mr. Pope possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing us in our business and is thus best positioned to develop agendas that ensure that the board’s time and attention are focused on the most critical matters relating to the Company’s business. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company’s ability to communicate its message and strategy clearly and consistently to our shareholders, employees and customers.

The board of directors has not designated a lead director. The independent directors can call and plan their executive sessions collaboratively and, between meetings of the board, communicate with management and one another directly. Under these circumstances, the directors believe designating a lead director to take on responsibility for functions in which they all currently participate might detract from rather than enhance performance of their responsibilities as directors.

The board of directors receives regular reports from the Chief Executive Officer and members of senior management on operational, financial, legal and regulatory issues and risks. The Audit Committee of the board of directors additionally is charged under its charter with oversight of financial risk, including the Company’s internal controls, and it receives regular reports from management, the Company’s internal auditors and the Company’s independent auditors. Whenever a committee of the board receives a report involving risk identification, risk management or risk mitigation, the chairman of the committee reports on that discussion, as appropriate, to the full board during the next board meeting.

The board of directors held seven meetings during 2019. During 2019, no director attended fewer than 75% of the meetings of the board of directors and board committees of which the director was a member.

It is the policy of the board of directors that all directors should attend the annual meetings in person or by teleconference. Last year all seven directors attended.

Board Committees

The board of directors has standing Audit, Compensation, and Nominating committees, comprised solely of independent directors. Each committee has a charter, which is available at Company’s website, www.boxlightcorp.com.

Audit Committee

According to its charter, the Audit Committee consists of at least three members, each of whom shall be a non-employee director who has been determined by the board to meet the independence requirements of NASDAQ, and also Rule 10A-3(b)(1) of the SEC, subject to the exemptions provided in Rule 10A-3(c). A copy of our Audit Committee Charter is located under the “Corporate Governance” tab on our website at www.boxlight.com. The Audit Committee members shall consist of Mr. Jackson, serving as our Audit Chair, Mr. Strang and Dr. Crew. All members of the Audit Committee are independent directors. The Audit Committee will assist the board by overseeing the performance of the independent auditors and the quality and integrity of our internal accounting, auditing and financial reporting practices. The Audit Committee is responsible for retaining (subject to stockholder ratification) and, as necessary, terminating the engagement of the independent auditors, annually reviewing the qualifications, performance and independence of the independent auditors and the audit plan, fees and audit results, and pre-approving audit and non-audit services to be performed by the auditors and their related fees. Our board of directors has determined that Mr. Jackson meets the qualifications of “audit committee financial expert,” as defined by the rules and regulations of the SEC.

The Audit Committee held three meetings during 2019.

Audit Committee Report

With respect to the audit of Company’s financial statements for the year ended December 31, 2019, the Audit Committee

- has reviewed and discussed the audited financial statements with management;
- has discussed with the Company’s independent accountants the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and
- has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight board regarding the independent accountant’s communications with the Audit Committee concerning independence and has discussed with the independent accountant the independent accountant’s independence.

Based on these reviews and discussions, the Audit Committee recommended to the board of directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2019.

R. Wayne Jackson, Chair
Dale Strang
Rudolph F. Crew

Compensation Committee

The Compensation Committee members are Mr. Strang, Dr. Crew and Mr. Jackson. The Compensation Committee shall make recommendations to the board of directors concerning the salaries and incentive compensation for our officers, including our principal executive officer, and employees and also administers our stock option plan. A copy of our Compensation Committee Charter is located under the “Corporate Governance” tab on our website at www.boxlight.com.

The Compensation Committee held two meetings during 2019.

Nominating and Corporate Governance Committee

The Corporate Governance and Nominating Committee members are Dr. Crew, Mr. Strang and Mr. Amos. All members of the Corporate Governance and Nominating Committee are independent directors. The Corporate Governance and Nominating Committee assists the board in identifying qualified individuals to become board members, in determining the composition of the board and in monitoring board effectiveness. A copy of our Corporate Governance and Nominating Committee Charter is located under the “Corporate Governance” tab on our website at www.boxlight.com.

The Nominating and Corporate Governance Committee held three meetings during 2019.

Material Changes to the Procedures by which Security Holders May Recommend Nominees to the Board

We do not currently have a procedure by which security holders may recommend nominees to the board. Prior to the listing of our common stock on NASDAQ, as a private company with a limited shareholder base, we did not believe that it was important to provide such a procedure. However, as a publicly traded NASDAQ company with the requirement to hold annual shareholder meetings, we will consider implementing such a policy in the future.

Director Qualifications

The board of directors is responsible for overseeing the Company's business consistent with its fiduciary duty to the stockholders. This significant responsibility requires highly-skilled individuals with various qualities, attributes and professional experience. There are general requirements for service on the board that are applicable to directors and there are other skills and experience that should be represented on the board as a whole but not necessarily by each director. The Corporate Governance and Nominating Committee considers the qualifications of director candidates individually and in the broader context of the board's overall composition and the Company's current and future needs.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the code will be made available on the Corporate Governance section of our website, which is located at www.boxlight.com. If we make any substantive amendments to, or grant any waivers from, the code of business conduct and ethics for any officer or director, we will disclose the nature of such amendment or waiver on our website or in a current report on Form 8-K.

Stockholder Communications

Stockholders can mail communications to the Board of Directors, c/o Secretary, Boxlight Corporation, 1045 Progress Circle, Lawrenceville, Georgia 30043, who will forward the correspondence to each addressee.

Based solely on our review of the copies of such forms furnished to us and written representations by our officers and directors regarding their compliance with applicable reporting requirements under Section 16(a) of the Exchange Act, we believe that all Section 16(a) filing requirements for our executive officers, directors and 10% stockholders were met during the year ended December 31, 2019; except for the following:

Even if the selection is ratified, the Audit Committee and the Board of Directors in their discretion may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

Audit Committee Pre-Approval Policies

The Audit Committee shall pre-approve any non-audit services proposed to be provided to the Company by the independent auditors.

Audit Committee Pre-Approval of Services

In accordance with the SEC's auditor independence rules, the Audit Committee has established the following policies and procedures by which it approves in advance any audit or permissible non-audit services to be provided to the Company by its independent auditor.

Prior to the engagement of the independent auditor for any fiscal year's audit, management submits to the Audit Committee for approval lists of recurring audit, audit-related, tax and other services expected to be provided by the auditor during that fiscal year. The Audit Committee adopts pre-approval schedules describing the recurring services that it has pre-approved, and is informed on a timely basis, and in any event by the next scheduled meeting, of any such services rendered by the independent auditor and the related fees.

The fees for any services listed in a pre-approval schedule are budgeted, and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year. The Audit Committee will require additional pre-approval if circumstances arise where it becomes necessary to engage the independent auditor for additional services above the amount of fees originally pre-approved. Any audit or non-audit service not listed in a pre-approval schedule must be separately pre-approved by the Audit Committee on a case-by-case basis. Every request to adopt or amend a pre-approval schedule or to provide services that are not listed in a pre-approval schedule must include a statement by the independent auditors as to whether, in their view, the request is consistent with the SEC's rules on auditor independence.

The Audit Committee will not grant approval for:

- any services prohibited by applicable law or by any rule or regulation of the SEC or other regulatory body applicable to the Company;
- provision by the independent auditor to the Company of strategic consulting services of the type typically provided by management consulting firms; or
- the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the tax treatment of which may not be clear under the Internal Revenue Code and related regulations and which it is reasonable to conclude will be subject to audit procedures during an audit of the Company's financial statements.

Subject to certain exceptions, tax services proposed to be provided by the auditor to any director, officer or employee of the Company who is in an accounting role or financial reporting oversight role must be approved by the Audit Committee on a case-by-case basis where such services are to be paid for by the Company, and the Audit Committee will be informed of any services to be provided to such individuals that are not to be paid for by the Company.

In determining whether to grant pre-approval of any non-audit services in the "all other" category, the Audit Committee will consider all relevant facts and circumstances, including the following four basic guidelines:

- whether the service creates a mutual or conflicting interest between the auditor and the Company;
- whether the service places the auditor in the position of auditing his or her own work;
- whether the service results in the auditor acting as management or an employee of the Company; and
- whether the service places the auditor in a position of being an advocate for the Company.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" RATIFICATION OF
THE APPOINTMENT OF THE INDEPENDENT ACCOUNTANTS.**

RATIFICATION OF AMENDMENT TO 2014 STOCK INCENTIVE PLAN

Summary and Purpose of the Amended Equity Participation Plan

The Board of Directors has voted to amend the 2014 Stock Incentive Plan (the “Plan”) to increase the number of shares of Common Stock authorized for issuance under the Plan by 3,700,000 shares, bringing the total number of shares authorized for issuance under the plan to 6,390,438 shares, and allow for the issuance of Restricted Stock Units under the Plan.

Increase in Number of Authorized Shares

The total number of underlying shares of the Company’s Class A common stock available for grant to directors, officers, key employees, and consultants of the Company or a subsidiary of the Company under the Boxlight 2014 Stock Option plan is presently 2,390,438 shares. The plan was amended on September 7, 2018, wherein the Board and shareholders approved the addition of 300,000 shares increasing the total plan shares to 2,690,438.

The Plan has been in place since 2014. Presently, there are 2,690,438 shares of Common Stock authorized for issuance under the Plan. However, as of the date hereof, the Company has 5,045,142 awards granted under the Plan, and thus needs to increase the number of shares available for issuance. The Board of Directors believes that the Company’s success depends in large part on its ability to attract, retain, and motivate its executive officers and other key personnel and that grants of awards under the Plan may be a significant element of compensation for such persons. The Board of Directors believes that the proposed increase in the number of shares of Common Stock available for issuance as provided in the Plan will provide the Compensation Committee with greater flexibility in the administration of the Plan and is appropriate in light of the growth of the Company in order to attract and retain key individuals. Following the proposed increase, the total authorized number of shares under the Plan will 6,390,438 shares, which shall represent approximately 44% of the issued and outstanding shares of Common Stock of the Company as of the date hereof.

On April 15, 2020, the Board of Directors approved amendment no. 2 to the 2014 Stock Option plan to make available for the issuance of up to an additional 3,700,000 shares for grant to directors, officers and employees, which amount would represent approximately 20% of our outstanding Common Stock, assuming all 3,700,00 shares were issued and exercised under the 2014 Stock Option Plan. The Company views the availability of stock compensation as an increasingly important factor in attracting and retaining talent, especially in light of the unique circumstances and economic pressures arising as a result of the ongoing COVID-19 pandemic.

Allow for the issuance of Restricted Stock Units under the Plan

The Plan as originally drafted did not allow for Restricted Stock Units (or RSUs). As such, the Company desires to add in a section to allow for the issuance of RSUs, which section has been added in as Section 8 in the Plan.

The amendment to the Plan is attached as Appendix A to this Proxy Statement.

Awards to be Granted to Certain Individuals and Groups

As of the date hereof, the Company cannot determine the benefits or amounts that will be received by or allocated to any individual or group resulting from the approval of the amendment to the Plan.

PROPOSAL NO. 4

APPROVAL OF ISSUANCE ABOVE 20% (THE “NASDAQ PROPOSAL”)

Summary and Purpose of Approving Stock Issuance Above 20%

The Board of Directors has voted to approve the issuance, over time, of more than 20% of its Class A Common Stock to Lind Global Macro Fund, LLP, the Company’s primary lender (“Lind”), pursuant to the terms of three securities purchase agreements and related notes issued thereunder to Lind (the “Notes”), as described in more detail below. The information set forth in this Proposal No. 4 is qualified by the terms of the securities purchase agreement and note, and amended and restated securities purchase agreement and notes, all dated February 4, 2020, which are described in and included as exhibits to our Current Report on Form 8-K filed with the SEC on February 7, 2020.

Pursuant to Nasdaq Rule 5635(d), Nasdaq listed companies are required to obtain shareholder approval for transactions, other than “public offerings,” involving (1) the sale, issuance or potential issuance by an issuer of common stock (or securities convertible into or exercisable for common stock) at a price less than the greater of book or market value which equals 20% or more of the shares of common stock or 20% or more of the voting power outstanding before the issuance, or (2) the sale, issuance or potential issuance by the issuer of common stock (or securities convertible into or exercisable for common stock) equal to 20% or more of the shares of common stock or 20% or more of the voting power outstanding before the issuance at a price less than the greater. As repayment of the Lind Notes, over time, may require the issuance of more than 20% of the Company’s outstanding Class A Common Stock, we are required to obtain stockholder approval.

Summary of the Lind Notes

The three Notes issued to Lind are described as follows:

March 2019 Note

On March 22, 2019, the Company entered into a securities purchase agreement with Lind that contemplates a \$4,000,000 working capital financing for Boxlight Parent and its subsidiaries. The investment is in the form of a \$4,400,000 principal amount convertible secured Boxlight Parent note, payable at an 8% interest rate, compounded monthly with a maturity date of 24 months (the “March 2019 Note”). The note is convertible at the option of Lind into the Company’s Class A voting common stock at a fixed conversion price of \$4.00 per share. The Company will have the right to force the Investor to convert up to 50% of the outstanding amount of the note if the volume weighted average closing price of our Class A common stock trades above \$8.00 for 30 consecutive days; and 100% of the outstanding amount of the note if the volume weighted average closing price of our Class A common stock trades above \$12.00 for 30 consecutive days. A commitment fee in the amount of \$125,000 was paid to the Investor.

The Company paid the Investor \$275,428 for closing fees by issuing 108,091 shares of Class A common stock. As of March 31, 2020 and December 31, 2019, the Company paid principal of \$733,332 and \$977,778, respectively, interest of \$42,370 and \$106,643, respectively, through issuance of Class A common stock to the Investor. Should all of the monies owed by Boxlight Parent under the March 2019 Note be paid in shares, we anticipate we would issue a total of 4,021,000 shares of our Class A common Stock to Lind, representing a total of 27.7% of our outstanding Class A Common Stock as of May 15, 2020.

December 2019 Note

On December 13, 2019, the Company entered into a securities purchase agreement with Lind that contemplates a \$1,250,000 working capital loan for Boxlight Parent and its subsidiaries. The investment is in the form of a \$1,375,000 principal amount convertible secured Boxlight Parent note, payable at an 8% interest rate, compounded monthly with a maturity date of 24 months (the “December 2019 Note”). The note is convertible at the option of the Investor into the Company’s Class A voting common stock at a fixed conversion price of \$2.50 per share. The Company will have the right to force the Investor to convert up to 50% of the outstanding amount of the note if the volume weighted average closing price of our Class A common stock trades above \$5.00 for 30 consecutive days; and convert up to 100% of the outstanding amount of the note if the volume weighted average closing price of our Class A common stock trades above \$6.25 for 30 consecutive days. A commitment fee in the amount of \$43,750 was paid to the Investor. The Company paid the Investor \$93,022 for closing fees by issuing 69,420 shares of Class A common stock. Payment on the December 2019 Note will commence on July 13, 2020. Should all of the monies owed by Boxlight Parent under the December 2019 Note be repaid in shares, we anticipate we would issue a total of 2,162,000 shares of our Class A Common Stock to Lind, representing a total of 14.9% of our outstanding Class A Common Stock as of May 15, 2020.

2020 Note

On February 4, 2020, the Company and Lind entered into a securities purchase agreement (the “SPA”) pursuant to which the Company received on February 6, 2020 \$750,000 in exchange for the issuance to Lind of (1) an \$825,000 convertible promissory note, payable at an 8% interest rate, compounded monthly (the “2020 Note”), (2) certain shares of restricted Class A common stock valued at \$60,000, calculated based on the 20-day volume average weighted price of the Class A common stock for the period ended February 4, 2020, and (3) a commitment fee of \$26,250. The Note matures over 24 months, with repayment to commence August 4, 2020, after which time the Company will be obligated to make monthly payments of \$45,833.33 (the “Monthly Payments”), plus interest. Interest payments owed under the Note (the “Interest Payments”) shall accrue beginning on the one month anniversary following the issuance of the Note, however such Interest Payments shall accrued during the first six months of the Note, after which time the Interest Payments, including such accrued Interest Payments, shall be payable on a monthly basis in either conversion shares or in cash. A commitment fee in the amount of \$26,250 was paid to the Investor. The Company paid the Investor \$60,000 for closing fees by issuing 44,557 shares of Class A common stock.

Each of the Notes, as amended on February 4, 2020, contains a provision limiting Lind to holding no more than 4.99% of the Company’s Class A common stock at any one time, and if it exceeds that number at any period, it shall temporarily be allowed to own up to 9.99% of the Company’s Class A common stock. Nonetheless, the Company, under the terms of the Notes, will, over time, be issuing to Lind in excess of 20% of the Company’s Class A Common Stock in order to repay the Notes.

As of March 31, 2020, the outstanding principal net of debt issuance cost and discount, and accrued interest owed to Lind were \$4,272,113 and \$68,896, respectively. Principal of \$3,830,091 is due within one year from March 31, 2020. As of July 7, 2020, we have issued a total of 3,333,696 shares of Class A Common Stock to Lind at per share prices equal to 90% of the average of the five lowest daily volume weighted average market price of our Class A common stock during the twenty trading days prior to the dates of issuance as Repayment Shares under the Notes. Should all of the 2020 Note be paid in shares, we anticipate we would issue up to a total of 1,201,000 shares of our Class A Common Stock to repay the 2020 Note. Thus, in the event we repay the March 2019 Note, the December 2019 Note and the 2020 Note all in Repayment Shares of our Class A Common Stock, over time we would issue up to a total of 7,384,000 shares, or approximately 23%, of our outstanding Class A Common Stock to Lind as Repayment Shares.

In addition, under the terms of the Notes with Lind, we may be obligated to pay Lind certain “Make Whole” shares in the event that the five-day VWAP as of the close of business on the six-month anniversary of the Closing Date of each Note is less than the 20-day VWAP as of the close of business on the day immediately prior to the Closing Date. In such case, the Company is obligated to issue to Lind such number of additional shares of Common Stock (the “Make Whole Shares”) that is equal to the difference of (a) \$100,000 divided by the five-day VWAP as of the close of business on the six-month anniversary of the Closing Date and (b) the aggregate number of Closing Shares issued to the Investor at Closing. As a result, at times depending on market conditions, Lind may be receiving additional repayment shares at below market value.

Potential Adverse Effects

If this proposal is approved by the shareholders, a minimum of 7,384,000 shares, or approximately 24% percent (based upon the total shares of the Company’s Class A Common Stock outstanding as of July 6, 2020), would be issuable, over time, in conjunction with the conversion of the Notes, so our stockholders will experience substantial dilution of their interests as a result of these conversions.

Effect on Current Stockholders if this Action is Not Approved

If our shareholders do not approve this Proposal No. 4, then the aggregate number of shares of common stock issuable will be limited to issuing to Lind no more than 19.99% of our Class A Common Stock, or 2,905,678 shares (of which 2,266,832 have already been issued). In such case, we would be required to seek to make such payments in cash, which would require us to locate new lenders, which could be difficult under current market circumstances. We are not seeking stockholder approval to authorize the offering of Class A Common Stock or the entry into or the closing of the Lind transactions, or the execution of the related transaction documents, as we have already entered into and closed the transactions and executed the related transaction documents, which are binding obligations on us. The failure of our shareholders to approve this Proposal No. 4 will not negate the existing terms of such transaction documents or any other documents relating to the offering of common stock or the acquisition.

Vote Required

Approval of this Proposal No. 4 (otherwise referred to as the Nasdaq Marketplace Rule Proposal) requires the affirmative vote of the holders of a majority of the shares of common stock casting votes in person or by proxy on this proposal at the Annual Meeting. Abstentions and broker non-votes will have no effect on the vote on this proposal.

A vote of a majority of shares present in person or by proxy at such meeting and entitled to vote is required to approve Proposal No. 4.

In making the determination of the Fair Value pursuant to this subparagraph (a), the Committee shall assume: (A) that the value of the Company is equal to the amount which would be paid in cash for the Company, as a going concern, by an unaffiliated third party buyer, and may take into account such additional factors as may be relevant to such valuation, including, without limitation, the absence of a trading market for the Common Stock, the minority status of the shares of Common Stock, and such other facts and circumstances as may be material, in the judgment of the Committee, and (B) that the Fair Value of one share of Common Stock is equal to: (I) the value of the Company, *divided by* (II) the sum of the number of outstanding shares of Common Stock, *plus* all Incentive Shares, *plus* all shares of Common Stock issuable upon: (x) the exercise of all outstanding options not issued under the Plan, warrants, and rights to purchase Common Stock, and (y) the conversion of all outstanding convertible securities. The Fair Value established by the Committee shall, in the absence of manifest error, be final, binding, and conclusive upon the Company and all affected Participants.

(b) If the Common Stock is: (x) listed on a securities exchange, (y) quoted in the NASDAQ National Market System, or (z) quoted in the over-the-counter market as reported by the National Quotation Bureau, “Fair Value” means the average Daily Price (as such term is defined below) over a twenty (20) Business Day period consisting of the day as of which Fair Value is being determined and the nineteen (19) consecutive Business Days prior to such date. For the purposes of computing Fair Value, the “Daily Price” for each of the twenty (20) consecutive Business Days shall be determined as follows:

(ii) If the Common Stock is quoted on the NASDAQ National Market System, the “Daily Price” is the average of the representative bid and asked prices of the Common Stock quoted in the NASDAQ National Market System as of 4:00 p.m., Eastern Time.

(iii) If the Common Stock is quoted on the over-the-counter market as reported by the National Quotation Bureau, the “Daily Price” is the average of the highest bid and asked prices of the Common Stock on the over-the-counter market as reported by the National Quotation Bureau.

“**Holding Period**” means a one (1) year period which commences on the Effective Date of Termination, except that, if the Company is or becomes a party to an agreement with a third party which prohibits the Company from exercising the right of first refusal in Section 7.2 hereof or the Company’s right to purchase Acquired Shares upon Termination of Employment in Section 7.3 hereof, or, if the exercise of such rights would cause the Company to breach any financial or other covenant in any agreement to which the Company is a party, Holding Period means the period which commences on the Effective Date of Termination and ends on the first anniversary of the date that the Company is no longer subject to, or obtains a waiver of, such prohibition or covenant.

“**Incentive Shares**” means all shares of Common Stock subject to issuance upon exercise or payment of all outstanding Stock Incentives.

Section 3.2. Stock Incentive Agreement. Each Stock Incentive shall be evidenced by a Stock Incentive Agreement executed by the Company and the Participant, which shall be in such form and contain such terms and conditions as the Committee in its discretion may, subject to the provisions of the Plan, from time to time determine.

Section 3.3. Date of Grant. The date a Stock Incentive is granted shall be the date on which the Committee has approved the terms and conditions of the Stock Incentive Agreement, has determined the recipient of the Stock Incentive, the number of Incentive Shares subject to the Stock Incentive, and has taken all such other action necessary to complete the grant of the Stock Incentive. Such date shall be set forth in the Stock Incentive Agreement.

Section 3.4. Accelerated Vesting upon Consummation of a Transaction. Unless otherwise set forth in a Stock Incentive Agreement: (a) each unexpired Option which is vested or would vest within twelve (12) months after the date of consummation of a Transaction shall become exercisable upon the consummation of a Transaction with respect to all of the Incentive Shares subject to such Option, without regard to the date of grant of the Option, and notwithstanding that such Option would be unvested or otherwise unexercisable with respect to some or all of such Incentive Shares, (b) each unexpired Stock Appreciation Right which is vested or would vest within twelve (12) months after the date of consummation of a Transaction shall become payable upon the consummation of a Transaction as to all of the Incentive Shares subject to the Stock Appreciation Right, without regard to the date of award of the Stock Appreciation Right, and (c) each unexpired Restricted Stock Award which has not been previously forfeited which is vested or would vest within twelve (12) months after the date of consummation of a Transaction shall be vested as to all of the Acquired Shares subject to such Restricted Stock Award upon the consummation of a Transaction, without regard to the date of award of the Restricted Stock Award. The preceding sentence notwithstanding, at any time prior to the consummation of a Transaction, the Committee may impose conditions on the exercise, redemption, or substitution of any outstanding Stock Incentive, including, without limitation, a condition of the continued employment of the affected Participant with the Company, or any successor to the Company, after the closing of a Transaction, in order to receive payment of any consideration payable in a Transaction in respect of Incentive Shares, which, in the absence of an acceleration pursuant to this Section 3.4, would be unvested Incentive Shares, *provided, however*, that if the Committee imposes an employment condition after the closing of a Transaction, such condition shall be deemed satisfied if a Termination of Employment results from (x) the death or Disability of a Participant or (y) a Resignation for Good Reason.

Section 3.5. Redemption of Stock Incentives. Notwithstanding anything to the contrary contained herein or in any Stock Incentive Agreement, the Company shall have the absolute right to redeem any or all outstanding Stock Incentives from any or all Participants in connection with a Transaction for an amount which, with respect to each Participant, represents the Committee's best estimate of the amount and type of consideration a holder of the number of shares of Common Stock equal to the number of vested Incentive Shares held by such Participant would receive in the Transaction after deduction of the Exercise Price and all legal, accounting, and other expenses incurred in the Transaction, and satisfaction of excluded liabilities and indebtedness not assumed in the Transaction (the "Redemption Price"), and subject to such other terms and conditions set by the Committee. If the Company calls any or all of the outstanding Stock Incentives for redemption, the affected Participants shall be under a mandatory obligation to sell their Stock Incentives to the Company at the Redemption Price and upon such other terms as may be established by the Committee. In the event a Participant fails to deliver a Stock Incentive for redemption to the Company in accordance with this Section 3.5, the Company may terminate and cancel any Stock Incentive upon delivery of the Redemption Price to such Participant, whereupon all rights of such Participant under the Stock Incentive shall be extinguished.

Section 3.6. Certain Termination Events. Unless otherwise set forth in a Stock Incentive Agreement, an outstanding Stock Incentive shall terminate upon the first to occur of any of the following events:

- (e) If the Stock Incentive is an Incentive Stock Option, 5:00 p.m. Eastern Time on the ninetieth (90th) day after a Termination of Employment of the Participant holding the Stock Incentive.
- (f) 5:00 p.m. Eastern Time on the date the Stock Incentive is redeemed pursuant to Section 3.5 of the Plan; or
- (g) 5:00 p.m. Eastern Time on the date a substituted stock option is issued pursuant to Section 4.7 of the Plan in replacement of any Option issued under the Plan.

Section 4.4. Payment of Exercise Price. The Exercise Price of any Option shall be paid in cash, or, after a Public Offering, or other exercise with the consent of the Committee, by a cashless exercise through a brokerage transaction or such other means as the Committee determines. The Committee, prior to a Public Offering, may, but shall not be obligated to, accept payment of the Exercise Price by a promissory note of the Participant which is secured by the Acquired Shares issued upon exercise of the Option. No Acquired Shares shall be issued or delivered upon exercise of an Option until full payment of the Exercise Price has been made by the Participant. The holder of an Option, as such, shall have none of the rights of a shareholder until Acquired Shares are issued upon exercise of the Option.

Section 4.5. Vesting. Each Option granted under the Plan shall be exercisable at such time or times, or upon the occurrence of such event or events, and in such amounts, as the Committee shall specify in the Stock Option Agreement; provided, however, that subsequent to the grant of an Option, the Committee, at any time before complete termination of such Option, may accelerate the time or times at which such Option may be exercised in whole or in part.

Section 4.6. Nontransferability of Options. Except as provided in Section 4.7 below, an Option shall not be transferable, or assignable, except by will or by the laws of descent and distribution, and shall be exercisable during the Participant's lifetime only by the Participant, or in the event of the Disability of the Participant, by the Participant's Transferee.

Section 4.7. Substitution of Previously Issued Options.

(a) Notwithstanding anything to the contrary in the Plan, any Option granted in substitution for an option previously issued by another entity, which substitution occurs in connection with a transaction to which Code Section 424(a) is applicable, may provide for an Exercise Price computed in accordance with such Code Section and the regulations thereunder, and may contain such other terms and conditions as the Committee may prescribe to cause such substitute Option to contain as nearly as possible the same terms and conditions (including the applicable vesting and termination provisions) as those contained in the previously issued option being replaced thereby.

(b) The Company shall have the absolute right in connection with any Transaction in which the Company will not be the surviving entity (including a sale of assets) to negotiate for the substitution of all or part of the outstanding Options for options issued by the surviving entity, or its parent or a subsidiary of such surviving entity, *provided* the number of shares subject to such substituted option, the number of shares “vested” or otherwise immediately exercisable thereunder, the exercise price of such substituted option, and all other terms and conditions of such substituted option are such that the Participant is in substantially the same economic position after receiving the substitute option as such Participant was in immediately prior to such substitution (after taking into account the effect of Section 3.4 of the Plan). The Company shall use best efforts to cause any such substituted option to be issued at the closing of the Transaction.

The exercise of a Stock Appreciation Right shall result in a pro rata surrender of any related Option to the extent the Stock Appreciation Right has been exercised.

Section 5.2. Payment under Stock Appreciation Right. Upon exercise or payment of a Stock Appreciation Right, the Company shall pay to the Participant the appreciation in cash, or by issuance of Acquired Shares (at the aggregate Fair Value on the date of payment or exercise), as provided in the Stock Incentive Agreement or, in the absence of such provision, as the Committee may determine.

Section 5.3. Exercise. Each Stock Appreciation Right shall be payable at such time or times, or upon the occurrence of such event or events, and in such amounts, as the Committee shall specify in the Stock Appreciation Right Agreement; provided, however, that subsequent to the award of a Stock Appreciation Right, the Committee, at any time before complete termination of such Stock Appreciation Right, may accelerate the time or times at which such Stock Appreciation Right may be exercised in whole or in part.

Execution of a counterpart of these restrictions by such Transferee shall be a condition precedent to the issuance of any certificate evidencing the Acquired Shares registered in the name of any such Transferee;

(ii) during the Holding Period, only: (A) in a Transaction, (B) in a Public Offering (subject to any limitations imposed by the managing underwriters in an underwritten Public Offering), or (C) in connection with the exercise of the Company's right to repurchase Acquired Shares after a Termination of Employment; or (D) if approved by the President of the Company, to any member of the Participant's Family Group, provided that all such Acquired Shares, after transfer to such member of the Participant's Family Group and any subsequent transferee of such member of the Participant's Family Group, shall remain subject to the restrictions set forth in this Section 8 and subject to all applicable rights in favor of the Company set forth elsewhere in the Plan, and the execution of a counterpart of these restrictions by such member of the Participant's Family Group shall be a condition precedent to the issuance of any certificate evidencing the Acquired Shares registered in the name of any such member of the Participant's Family; and

(iii) after the expiration of the Holding Period, only: (A) in a Transaction, (B) in a Public Offering (subject to any limitations imposed by the managing underwriters in an underwritten Public Offering), (C) to any member of the Participant's Family Group, provided that all such Acquired Shares, after transfer to any member of the Participant's Family Group, and of any subsequent transferee of such member of the Participant's Family Group, shall remain subject to the restrictions set forth in this Section 8 and to all applicable rights in favor of the Company set forth elsewhere in the Plan. Approval of the transfer by the President of the Company and execution of a counterpart of these restrictions by such member of the Participant's Family Group, shall be conditions precedent to the issuance of any certificate evidencing the Acquired Shares registered in the name of any such member of the Participant's Family Group, or (D) if the Participant or Transferee, as the case may be, shall have complied with the right of first refusal described in Section 8.2 hereof.

Section 8.2. Right of First Refusal. If, after the expiration of the Holding Period, a Participant or Transferee, as the case may be, shall receive an Offer from a Proposed Purchaser, which Offer such Participant or Transferee intends to accept, such Participant or Transferee, as the case may be, as a condition precedent to any sale of Acquired Shares to such Proposed Purchaser, shall provide a Transfer Notice with respect to such Offer to the Company. A copy of the Offer shall be attached to the Transfer Notice. The Transfer Notice shall constitute an irrevocable offer by the Participant or Transferee, as the case may be, to sell the Acquired Shares which are subject to such Offer to the Company at the Proposed Purchase Price and upon the terms of payment and conditions set forth in the Transfer Notice, which irrevocable offer shall be open for thirty (30) days from the date the Transfer Notice is delivered to the Company. The Company shall have thirty (30) days after receipt of the Transfer Notice to notify such Participant or Transferee, as the case may be, in writing, of its election to purchase all of the Acquired Shares which are subject to the Offer at the Proposed Purchase Price and upon the same terms of payment and conditions as are contained in the Offer. Failure by the Company to give such written notice within such thirty (30) day period shall constitute a rejection of the irrevocable offer by the Company. If the Company rejects the irrevocable offer, or fails to accept the irrevocable offer timely, or, if after timely accepting the irrevocable offer, the Company fails to consummate the purchase of the Acquired Shares which are subject to the Offer timely, then such Participant or Transferee, as the case may be, shall be free to sell such Acquired Shares to the Proposed Purchaser at the Proposed Purchase Price and upon the same terms and conditions as are set forth in the Offer; provided, however, if such Participant or Transferee, as the case may be, does not consummate such sale to the Proposed Purchaser within thirty (30) days after rejection by the Company of the irrevocable offer, such Acquired Shares shall once again become subject to the provisions of this Section 8.2, and any subsequent disposition of such Acquired Shares shall be made only after compliance with the terms of this Section 8.2. If the Company accepts the irrevocable offer set forth in the Transfer Notice, the Company's consummation of the purchase of the Acquired Shares shall be held at the Company's offices no later than thirty (30) days following the date on which the Company gives written notice of its acceptance of the irrevocable offer set forth in the Transfer Notice. Notwithstanding anything contained herein to the contrary, no Participant may accept an offer from any Competitor, and any attempted transfer of Acquired Shares to such Competitor shall be void and of no force or effect. Compliance with this Section 8.2 shall not be required for any transfer of Acquired Shares in: (i) a Public Offering, (ii) effected after a Public Offering under Rule 144 promulgated under the Securities Act, (iii) to the Company upon exercise of its rights to redeem or repurchase Acquired Shares after a Termination of Employment, or (iv) in a Transaction.

Section 8.3. Right to Purchase Upon Termination of Employment.

(a) During the Holding Period, the Company shall have the right, but not the obligation, to purchase from a Participant or Transferee, as the case may be, all or any portion of any Acquired Shares owned by such Participant or Transferee. The purchase price of any Acquired Shares purchased by the Company in accordance with this Section 8.3 shall be the Call Price. If the Company elects to exercise its right to repurchase any Acquired Shares pursuant to this Section, it shall do so by giving written notice thereof to such Participant or Transferee, as the case may be, which notice shall specify the number of Acquired Shares held by such Participant or Transferee as to which the Company is exercising its repurchase right. The Company's repurchase, and the sale by Participant or Transferee, as the case may be, of such Acquired Shares shall be consummated at a closing to be held at the Company's offices no later than thirty (30) days following the date on which the Company gives written notice of its exercise of such repurchase right. At the closing, the Participant or Transferee, as the case may be, shall deliver all certificates representing the Acquired Shares to be purchased, properly endorsed for transfer, and the Company shall pay the Participant or Transferee, as the case may be, the aggregate purchase price for the Acquired Shares as follows: (i) ten percent (10%) of the total purchase price in cash, and (ii) ninety percent (90%) of the total purchase price by delivery of a promissory note of the Company, payable to the order of the Participant or Transferee, as the case may be, and bearing interest at the Prime Rate in effect on the Business Day ended immediately prior to date of the closing, with accrued and unpaid interest being due on each principal installment payment date. The principal amount of such note shall be payable in: (A) eight (8) equal quarterly installments if the original principal amount of the note is equal to, or less than, twenty five thousand dollars (\$25,000), or (B) if the original principal amount of the note is greater than twenty five thousand dollars (\$25,000), the original principal amount of such note shall be payable in equal quarterly installments, over a term equal to two (2) years plus one (1) year for each additional twenty five thousand dollars (\$25,000), or part thereof, that the original principal amount of the note exceeds twenty five thousand dollars (\$25,000), provided, however, the entire unpaid principal amount of such note, together with all accrued but unpaid interest thereon, shall become due and payable in cash immediately upon the closing of a Transaction or a Public Offering. Payment of quarterly installments shall commence on the first three (3) month anniversary of the closing date. The promissory note shall be secured by a pledge of the Acquired Shares purchased from the Participant, and such Acquired Shares shall be released from the pledge quarterly upon the payment of each principal payment due under the note, such that the number of Acquired Shares pledged shall never be more than the quotient of the then outstanding principal amount of the note *divided by* the purchase price per Acquired Share paid to the Participant.

(b) All Acquired Shares not purchased by the Company prior to the expiration of the Holding Period shall, upon request of the Committee, be deposited into a voting trust which shall be in such form and contain such terms and conditions as the Committee may determine in its sole discretion, provided that the term of the voting trust shall terminate upon the closing of a Public Offering. The voting trustee shall vote the Acquired Shares held by the voting trust as directed by the Board of Directors on all matters submitted to a vote of shareholders.

Section 8.4. Determination of Call Price.

(a) The Call Price for Acquired Shares issued upon exercise of Stock Options shall be determined as follows:

(i) If the Termination of Employment of a Participant is: (A) for Cause, or (B) the resignation of such Participant (excluding a Resignation for Good Reason), the Call Price shall be the lesser of (x) Fair Value or (y) the Exercise Price paid by such Participant *multiplied by* the number of Acquired Shares being purchased by the Company;

(ii) If the Termination of Employment of a Participant is (A) a Resignation For Good Reason or (B) not for Cause, the Call Price shall be Fair Value.

(b) The Call Price for Acquired Shares issued pursuant to a Restricted Stock Award or a Stock Appreciation Right shall be determined as set forth in the Restricted Stock Award Agreement or Stock Appreciation Right Agreement

Section 8.5 Mandatory Sale. If the Board of Directors and/or the holders of a majority of the outstanding shares of Common Stock approve a Transaction with a third party, each Participant shall, upon request of the Board of Directors, consent to, raise no objection to, and support the Transaction. If the Transaction is structured as a sale of Common Stock by the holders thereof, each Participant holding Acquired Shares shall sell all such Acquired Shares to such buyer on the terms and conditions approved by the Board of Directors or the holders or a majority of the outstanding shares of Common Stock. The right of first refusal provided in Section 7.2 hereof shall be inapplicable to a sale effected under this Section 8.5.

Section 8.6 Disloyal Acts. The Company shall have the following rights with respect to any Participant who commits a Disloyal Act:

(a) If a Disloyal Act is committed by a Participant that is a holder of Acquired Shares, all Acquired Shares held by such Participant shall be canceled upon the books and records of the Company, and the Company shall deliver to the Participant an unsecured sixty (60) month promissory note bearing interest at the Prime Rate in effect on the Business Day which immediately precedes the date such note is issued, in a principal amount equal to the product of the lesser of Fair Value or the Exercise Price paid by such Participant *multiplied by* the number of Acquired Shares being canceled. The cancellation of such Acquired Shares shall be effective as of the date on which the Company delivers the promissory note to the Participant in accordance with this Subsection (a).

(b) If a Disloyal Act is committed by a Participant that is a holder of a note issued by the Company pursuant to Section 8.3 hereof, the outstanding balance of such note shall be reduced to an amount equal to the product of the lesser of Fair Value or the Exercise Price, *multiplied by* the number of Acquired Shares purchased from such Participant pursuant to Section 8.3 hereof, *minus* the amount of cash paid at the closing of the sale pursuant to Section 8.3 hereof, and *minus* the amount all principal payments made under the such note between the date of such note and the date on which this adjustment to the principal balance of the note is made, but in no event shall the note be reduced below zero.

Section 8.7 Pledging of Shares. The Company may, as a condition precedent to the issuance of any Acquired Shares pursuant to any Stock Incentive, require a Participant to pledge any such Acquired Shares for the benefit of certain Company lenders if all other Company shareholders have pledged their shares of Common Stock, or will pledge their shares of Common Stock, on the same terms and conditions as the other Company shareholders.

Section 8.8 Delivery of Certificate. At any closing of a purchase by the Company of Acquired Shares pursuant to Section 8.2 or 8.3 hereof, a certificate representing the Acquired Shares purchased by the Company, duly endorsed for transfer to the Company, shall be delivered by the Participant to the Company, and upon receipt of the certificate, the Company shall pay the consideration for the Acquired Shares; provided that, if the certificate representing the Acquired Shares purchased by the Company is not delivered, duly endorsed, to the Company at the closing, the Company may, in addition to all other remedies it may have, tender to the Participant, at the address set forth in the stock transfer records of the Company, the purchase price for such Acquired Shares as is herein specified, and cancel such Acquired Shares on its books and records, whereupon all of the Participant's right, title, and interest in and to such Acquired Shares shall terminate. The Company shall have the right to set off against, and to deduct from, any sums payable by it in connection with the purchase of Acquired Shares, the principal amount of, and all accrued but unpaid interest on, any indebtedness of the Participant owing to the Company on the date of the closing.

Section 8.9 Lockup Agreement in Public Offering. Each holder of Acquired Shares shall execute any form of “lockup agreement” required by any managing underwriter(s) in connection with any Public Offering, provided that no holder of Acquired Shares shall be required to sign such a lockup agreement unless all holders of Acquired Shares are also required to execute such agreements.

Section 8.10 Termination of Restrictions. The restrictions on transfer of Acquired Shares contained in this Section 8 shall continue in effect until the twentieth (20th) anniversary of the date of this Plan. Any certificate issued by the Company which represents any Acquired Shares shall contain the following legend:

TRANSFER IS RESTRICTED

THE SECURITIES EVIDENCED BY THIS CERTIFICATE ARE SUBJECT TO A RIGHT OF FIRST REFUSAL AND OTHER RESTRICTIONS ON TRANSFER SET FORTH IN THE LOGICAL CHOICE TECHNOLOGIES, INC. 1999 STOCK INCENTIVE PLAN, A COPY OF WHICH IS AVAILABLE FROM THE COMPANY.

THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND MAY NOT BE SOLD, TRANSFERRED, ASSIGNED, OR HYPOTHECATED UNLESS (1) THERE IS AN EFFECTIVE REGISTRATION UNDER SUCH ACT COVERING SUCH SECURITIES, (2) THE TRANSFER IS MADE IN COMPLIANCE WITH RULE 144 PROMULGATED UNDER SUCH ACT, OR (3) THE COMPANY RECEIVES AN OPINION OF COUNSEL, REASONABLY SATISFACTORY TO THE COMPANY, STATING THAT SUCH SALE, TRANSFER, ASSIGNMENT OR HYPOTHECATION IS EXEMPT FROM THE REGISTRATION REQUIREMENTS OF SUCH ACT.

Section 8.11 Removal of Legends. Any legend endorsed on a certificate pursuant to Section 8.10, and any stop transfer instructions with respect to the Acquired Shares, shall be removed and the Company shall issue a certificate without such legend to the holder thereof, if such Acquired Shares are (a) registered under the Securities Act and a prospectus meeting the requirements of Section 10 of the Securities Act is available or (b) the holder of Acquired Shares delivers an opinion of counsel acceptable to the Company to the effect that such legend is no longer required under the Securities Act.

SECTION 9. GENERAL PROVISIONS

Section 9.1. Withholding. Whenever the Company issues Acquired Shares under the Plan, or upon the vesting (partial or complete) of any Restricted Stock Award, the Participant shall remit to the Company an amount sufficient to satisfy all federal, state, and local withholding tax requirements, if any, prior to the delivery of any certificate or certificates for Acquired Shares or the vesting of such Restricted Stock Award. A Participant may pay such withholding taxes in cash, or the Participant may make a Withholding Election, provided the Committee consents to such Withholding Election. In the event the Committee does not consent to such a Withholding Election, the Participant shall pay such withholding taxes in cash. A Participant may make a Withholding Election only if both of the following conditions are met:

(a) The Withholding Election must be made on or prior to the Tax Date by executing and delivering to the Company a properly completed notice of Withholding Election as prescribed by the Committee; and

(b) Any Withholding Election made will be irrevocable; however, the Committee may in its sole discretion disapprove and give no effect to the Withholding Election.

Section 9.2. Changes in Capitalization; Merger; Liquidation.

(a) The Total Reserved Shares under the Plan, and the number of Incentive Shares and the Exercise Price of each outstanding Stock Incentive shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a subdivision or combination of shares including without limitations a split-up, a stock split or a reverse stock split of Common Stock or the payment of a stock dividend in shares of Common Stock to holders of outstanding securities.

(b) If the Company shall be the surviving corporation in any merger or consolidation, recapitalization, or reclassification of shares of Common Stock, or similar reorganization, an appropriate adjustment shall be made to each outstanding Stock Incentive such that the Participant shall be entitled to purchase or receive, as the case may be, the number and class of securities which a holder of the number of shares of Common Stock equal to the number of Incentive Shares subject to such Stock Incentive at the time of such transaction would have been entitled to receive as a result of such transaction, and, if necessary, a corresponding adjustment shall be made in the Exercise Price of each outstanding Stock Incentive, provided however, that if the Company's Common Stock outstanding immediately prior to the Transaction is not exchanged for a new security, no adjustments shall be made to outstanding Stock Incentives pursuant to this Section 8.2 as a result of the merger or reorganization.

(c) In the event of any other changes in capitalization of the Company, the Committee shall make such additional adjustments in the number and class of Incentive Shares subject to outstanding Stock Incentives, and with respect to which future Stock Incentives may be granted as the Committee, in its sole discretion, shall deem equitable or appropriate. Any adjustment pursuant to this Section may provide, in the Committee's discretion, for the elimination of any fractional Incentive Shares that might otherwise become subject to any Stock Incentive without payment therefor.

(d) Except for the adjustments in Sections (a) and (b) of this Section 9.2, the holder of a Stock Incentive shall have no rights by reason of any: subdivision or combination of shares of stock of any class, payment of any stock or cash dividend, or any other increase or decrease in the number of shares of Common Stock, or by reason of any Transaction or distribution to the Company's shareholders of assets or stock of another corporation. The existence of the Plan and any Stock Incentives granted pursuant to the Plan shall not affect in any way the right or power of the Company to make or authorize any adjustment, reclassification, reorganization, or other change in its capital or business structure, any merger or consolidation of the Company, any issue of debt or equity securities having preferences or priorities as to the Common Stock or the rights thereof, the dissolution or liquidation of the Company, any sale or transfer of all or any part of its business or assets, or any other corporate act or proceeding.

Section 9.3. Investment Representations. As a condition precedent to the issuance of any Acquired Shares pursuant to any Stock Incentive, the Participant receiving such Acquired Shares shall represent and agree as follows:

(a) The Acquired Shares are being acquired by Participant for Participant's own account, without the participation of any other person, with the intent of holding the Acquired Shares for investment, and without the intent of participating, directly or indirectly, in a distribution of the Acquired Shares, or for resale in connection with, any distribution of the Common Stock of the Company.

(b) Participant is not acquiring the Acquired Shares based upon any representation, oral or written, by any person with respect to the future value of, or income from, the Acquired Shares, but rather upon an independent examination and judgment as to the prospects of the Company.

(c) Participant understands and agrees that the Acquired Shares will be issued and sold to Participant without registration under the Securities Act and any state law relating to the registration of securities for sale, and will be issued and sold in reliance on the exemptions from registration under the Securities Act of 1933, provided by Sections 3(b) and/or 4(2) thereof and the rules and regulations promulgated thereunder.

(d) The Acquired Shares cannot be offered for sale, sold or transferred by Participant other than pursuant to: (A) an effective registration under the Securities Act of 1933 or in a transaction otherwise in compliance with the Securities Act of 1933; (B) evidence satisfactory to the Company of compliance with the applicable securities laws of other jurisdictions; and (C) compliance with all terms and conditions of the Plan and the corresponding Stock Incentive. The Company shall be entitled to rely upon an opinion of counsel satisfactory to it with respect to compliance with the above laws, the Plan, and any Stock Incentive.

(e) The Company will be under no obligation to register the Acquired Shares, or to comply with any exemption available for sale of the Acquired Shares, without registration or filing, and the information or conditions necessary to permit routine sales of securities of the Company under Rule 144 of the Securities Act of 1933 are not now available, and no assurance has been given that it or they will become available. The Company is under no obligation to act in any manner so as to make Rule 144 available with respect to the Acquired Shares.

(f) The agreements, representations, warranties, and covenants made by Participant herein extend to and apply to all Acquired Shares issued to Participant pursuant to any Stock Incentive. Acceptance by Participant of a certificate representing Acquired Shares shall constitute a confirmation by Participant that all such agreements, representations, warranties, and covenants made herein shall be true and correct at that time.

Section 9.4. Compliance with Code. All Incentive Stock Options to be granted hereunder are intended to comply with Code Section 422, and all provisions of the Plan and all Incentive Stock Options granted hereunder shall be construed in such manner as to effectuate that intent.

Section 9.5. Set-Off. The Company shall have the right to set-off against any payment made by the Company to a Participant in connection with any Stock Incentive, Acquired Shares, or Incentive Shares, the amount of any indebtedness, including accrued but unpaid interest, then owed by such Participant to the Company, or reasonably believed to be owed by Participant to the Company.

Section 9.6. Right to Terminate Employment.

Nothing in the Plan or in any Stock Incentive shall confer upon any Participant the right to continue as an employee of the Company, or any of its Parents or Subsidiaries, or affect the right of the Company, or any of its Parents or Subsidiaries, to terminate the Participant's employment at any time.

Section 9.7. Restrictions on Delivery and Sale of Shares.

Each Stock Incentive is subject to the condition that, if at any time the Committee, in its discretion, shall determine that the listing, registration, or qualification of the shares covered by such Stock Incentive upon any securities exchange or under any state or federal law is necessary or desirable as a condition of or in connection with the granting of such Stock Incentive or the purchase or delivery of shares thereunder, the delivery of any or all Acquired Shares pursuant to such Stock Incentive may be withheld unless and until such listing, registration or qualification shall have been effected.

Section 9.8. Shareholders Agreement. Holders of Acquired Shares may be required to execute a Joinder Agreement to the Logical Choice of Georgia Inc., Employee Shareholders' Agreement dated April 16, 1999.

Section 9.9. Plan Termination and Amendment. The Plan may be terminated, modified, or amended by the Board of Directors of the Company; provided, however, that no such termination, modification, or amendment without the consent of the holder of a Stock Incentive shall adversely affect the rights of a Participant under such Stock Incentive.

Section 9.10. Effective Date of Plan. The Plan shall become effective on the date the Plan is adopted by the Board of Directors and is ratified by the holders of a majority of the issued and outstanding shares of voting capital stock of the Company entitled to vote.

BY ORDER OF THE BOARD OF DIRECTORS, this Plan has been executed by the duly authorized officers of the Company as of the Effective Date.
